1/2

The Education Futures Office (EFO), under the Strategic Management (StratMa) Strand of the DepEd Central Office, is currently undertaking a data-gathering initiative aimed at understanding **Teacher's Perception of Artificial Intelligence (AI)**. As part of this effort, we intend to conduct interviews with teachers from your region. The insight from these interviews will guide the StratMa strand in formulating policies and guidelines on the use of AI within the Department.

The interview will be conducted over the course of **one online session on July 24, 3:30 - 5:00PM**. (90 minutes). We kindly request for your assistance in **connecting us with fifteen (15) in-service teacher respondents** who are currently working in a school and have at least one (1) year of teaching experience.

The EFO sincerely appreciates your continued support. The data and insights from the workshops will help DepEd design forward-looking education policies and programs on AI in education.

For questions or coordination, please contact Ms. Camille De Luna via Viber (0949-883-5199) or email (efo@deped.gov.ph).

Thank you for your continued cooperation.
