All Others Concerned

Subject : **CONDUCT OF EDUCATIONAL ACTIVITIES ON ENVIRONMENT & CLIMATE CHANGE AND ASTRONOMY & SPACE**

Date : July 28, 2025

This is to inform the field that the **Jhayron Events Management Services (JEMS)** has been granted approval to conduct their **Comprehensive Astronomical and Environmental Awareness Program** for the **School Year 2025-2026**, as per the approved letter dated **July 28, 2025**, from the office of the Schools Division Superintendent. This program aims to promote awareness on **Environment & Climate Change** and **Astronomy & Space** through activities such as the **Digital Mobile Planetarium and Oceanarium, 3D Cinema, and Science Fair Adventure**.

Please take note of the following important conditions for the execution of the activities:

1. **School Principal Permission:** JEMS must secure permission from the concerned school principal prior to conducting any event. A formal letter communication must be submitted to the principal for approval.
2. **Voluntary Participation:** The program is **voluntary** and will be conducted in accordance with the policy on **"No Disruption of Classes"** as stipulated in **DepEd Order No. 9, s. 2005**.
3. **No Collection Policy:** In adherence to **Republic Act No. 5546 (Ganzon Law)** and **DepEd Memorandum No. 41, s. 2024**, there shall be **no collection** of contributions or fees for this activity.
4. **No Government Funds:** **No government funds** will be used for the implementation of this program.

We highly encourage the school heads to review the program's details and consider its relevance to their school's educational goals. Please refer to the attached letter and brochure for more information.

Should you have any questions or need further clarification, you may contact **JEMS** at 0991-298-4025 / 0956-097-5616 / [jhayronevents@gmail.com](mailto:jhayronevents@gmail.com) or you may contact **Dr. Ivy F. Solano** at **0929-528-5142** / [ivy.solano@deped.gov.ph](mailto:ivy.solano@deped.gov.ph).

For your information, guidance and compliance.

**MELANIE P. ESTACIO, PhD, CESO VI**

Schools Division Superintendent

Division of Digos City

Department of Education XI

Digos City

Dear **Dr. Estacio**,

A Perfectly Clear Sky to you!

The extreme consequence of catastrophes brought by severe changes in our climate system had brought the entire humanity countless sufferings including loss of lives and damage to properties. Such aftermath affects not just one particular area but the entire geographical zone worldwide.

In the Philippines, the devastating effects of super typhoons such as "Yolanda," the extensive drought brought about by "El Niño" coupled with heavy rainfall due to "La Niña" and high intensity earthquakes have challenged the lives of many Filipino people leaving countless casualties. Climate System change which dramatically increases the effects of natural calamities such as these are offshoots of atmospheric movements.

Amidst these challenging threats caused by Climate Change, The Jhayron Events Management Services (JEMS) proposes a suitable and effective educational activity aimed at promoting awareness on Environment & Climate Change and Astronomy & Space through the aid of modern and interesting teaching methodologies. This can be a valuable addition to other aspects of the teaching/learning process which could help the students synthesize formerly disparate pieces of information into a more holistic understanding.

JEMS is proud to introduce our Comprehensive Astronomical and Environmental Awareness Program which includes the following activities:

- |                   |   |
|-------------------|---|
| <b>Activity 1</b> | <b>Digital Mobile Planetarium and Oceanarium (Space Exploration / Oceanic Wonders)</b>      |
| <b>Activity 2</b> | <b>3D Cinema (featuring <u>The Effects of Climate Change</u> / Extinction of Dinosaurs)</b> |
| <b>Activity 3</b> | <b>Science Fair Adventure (Interactive Engagement Gallery)</b>                              |

In this regard, we are again asking permission from your good office to allow us to conduct these voluntary / non-compulsory activities for the school year 2025 - 2026. Through your office, JEMS will be conducting a school caravan and would like to visit schools by providing additional science resources and different learning experiences for students using their creative imagination without having them leave the school premises.

Attached herewith is our DepEd Advisory [A\\_s2025\\_094.pdf](#) for your perusal and reference.

For more information, please do not hesitate to contact us at 0991-298-4025 / 0956-097-5616 or may also email us at [jhayronevents@gmail.com](mailto:jhayronevents@gmail.com)

We look forward to your favorable response.

With highest esteem:

**Jhaness P. Flores**  
Marketing Director

## JHAYRON EVENTS MANAGEMENT SERVICES

B4-L8 Valencia St., Bellazona Aragon Subdivision Molino III, Bacoor Cavite

### ABOUT US

A seeming exclamation, Jhayron Events Management Services, otherwise known as JEMS, proudly announces that we have found a way to bridge the gap between Environmental Space Science and Earth Science Education through a comprehensive program that aims to promote total awareness and consciousness on the topic of Astronomy, Climate Change, Global Warming and other aspects of science. Therefore, in an effort to introduce the fundamental information as well as breakthroughs on these subjects, JEMS proposes a fun and exciting presentation through the aid of modern technologies and methodologies. JEMS' utmost desire is to spread the passion of scientific learning of the participants and elevate their level of knowledge on these topics through these proposed means. It is one brilliant way to support the youth in their continuous search for answer and curiosity. The program aims to awaken and mold the bright minds of the participants towards becoming future Filipino Astronomers, Environmentalists and Climate Change Advocate.

### OUR PROGRAM

Being the pioneer in integrating the broad topics of Earth and Life Science and Astronomy, JEMS offer a wide range of interesting and highly educational shows, exhibits and other presentations where learning efficiency can reach its optimum level.

#### DIGITAL DOME THEATER

*Space Exploration* - Be amazed by one of the most effective teaching approaches on Science Education in today's modern times using a large 360 degrees (360°) format theater projection with digital surround sound that highlights an array of countless celestial objects. With this latest system, the participants can experience the stunning infinite beauty of the universe through its real time space simulation and celestial navigation. The 360° dome environment provides the audience with a memorable learning experience in the field of Space Science Education.

To make it more exciting, JEMS also offers our Mobile Oceanarium!

*Oceanic Wonders* - Experience a breathtaking voyage beneath the surface of our oceans. Using immersive full-dome visuals, sound, and storytelling, the show reveals the hidden beauty and complexity of marine life.

This program highlights the science behind ocean currents, marine biodiversity, and the crucial role oceans play in sustaining life on Earth. It's not just a show—it's an invitation to appreciate, protect, and be inspired by the wonders of the underwater world.

## JHAYRON EVENTS MANAGEMENT SERVICES

B4-L8 Valencia St., Bellazona Aragon Subdivision Molino III, Bacoar Cavite  
0917-837-5252 | 0917-255-5501 | jhayronevents@gmail.com

### 3D CINEMA

#### *Effects of Climate Change or Extinction of Dinosaurs*

**3DCinema** offers an immersive and engaging way to viewers on a visually stunning journey through one of Earth's most dramatic moments—the extinction of the dinosaurs—or dives into the urgent realities of modern climate change. Through cutting-edge 3D visuals and powerful storytelling, the film reveals how natural forces shaped our planet's past and how human actions are shaping its future.

Whether exploring the asteroid that ended the dinosaur era or the rising temperatures of today, the experience encourages reflection, learning, and action.

## INTERACTIVE ENGAGEMENT GALLERY

*Interactive Engagement Gallery* brings learning to life in a way that textbooks and lectures alone cannot. These engaging displays make abstract or distant concepts more tangible and relatable, sparking curiosity and wonder. By encouraging hands-on interaction and storytelling, such exhibits cater to various learning styles, from visual to kinesthetic. Integrating them into the school environment creates memorable experiences that foster deeper understanding, inspire creativity, and promote critical thinking and problem-solving skills.

Note: Sample Flow of Event:

TIME	GROUP #	ACTIVITY	VENUE (Year and Sections)	SAMPLE # OF PARTICIPANTS
8:00 A.M – 8:30 A.M	1	ACTIVITY 1		100
	2	ACTIVITY 2		100
	3	ACTIVITY 3		100
8:40 A.M – 9:10 A.M	1	ACTIVITY 2		100
	2	ACTIVITY 3		100
	3	ACTIVITY 1		100
9:20 A.M – 10:00 A.M	1	ACTIVITY 3		100
	2	ACTIVITY 1		100
	3	ACTIVITY 2		100

Today is the perfect time for us to discuss these bright ideas. The pupils, students, teachers and school administrators from both public and private schools are invited to watch the show.

Let us explore the JEMS Learning Experience.

**COMPREHENSIVE ASTRONOMICAL AND ENVIRONMENTAL AWARENESS PROGRAM  
FOR THE SCHOOL YEAR 2025–2026**

The Jhayron Events and Management Services (JEMS) will conduct a Comprehensive Astronomical and Environmental Awareness Program, aimed at awakening and shaping the bright minds of participants to become future Filipino astronomers, environmentalists, and climate change advocates.

For the school year 2025–2026, the Program includes the following activities:

Activity	Description
Digital Dome Theater	With this latest system, participants can experience the stunning, infinite beauty of the universe through real-time space simulation and celestial navigation.
Solar Viewing	The goal of this is to study the beauty of the sun with first-hand viewing experience using a Solar Telescope equipped with H-Alpha filters.
Science Fair Adventure- The Gallery	Showcases a variety of art exhibits and other amazing works of art that deal with Biological Diversity, Flora and Fauna Species, Astronomical Facts and Breakthroughs, Optical Illusions, Proper Solid Waste Management, and the Life Span of Common Garbage and Wastes.
Science Fair Adventure- Interactive Gadgets	Participants will be in total action as they can effectively aid in the proper understanding of certain subjects, including body conduction, radiometer, and tectonic and/or volcanic movements of the Earth's surface.
Chroma Key Workshop	A new activity to experience the use of Chroma Key uniquely and effectively, that transports the students across time and space.
Spacelab	An interactive live show presentation and discussions in an enjoyable way.

Participation of teachers and learners from public and private schools shall be purely voluntary and will not hamper instructional time in compliance with the provisions of DepEd Order (DO) No. 012, s. 2025, titled Multi-Year Implementing Guidelines on the School Calendar and Activities and DO 9, s. 2005 titled Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith and the policy on off-campus activities stated in DO 66, s. 201.

This is also subject to the no-collection policy as stated in Section 3 of Republic Act No. 5546 also known as An Act Prohibiting the Sale of Tickets and/or the Collection of Contributions for Whatever Project or Purpose from Students and Teachers of Public and Private Schools, Colleges and Universities (Ganzon Law), issued in DO 19, s. 2008, and reiterated in DepEd Memorandum No. 041, s. 2024.

Office of the Schools Division Superintendent

October 2, 2023

JHANESS P. FLORES  
Marketing Director  
Jhanyro Events Management Services

Madam:

This has reference to your letter introducing the Comprehensive Astronomical Environmental Awareness Program by your institution, the Jhanyro Events Management Services (JEMS).

This Office interposes no objection on your request of introducing the Comprehensive Astronomical and Environmental Awareness Program through school caravan to be conducted within this Division provided that proper arrangement and coordination with the School Head and the School Parent and Teachers Association (PTA) shall be done prior to the conduct of the activity. Further, participation of the learners shall be on voluntary basis, not compulsory and no government funds shall be used. The activity shall also be subject to the no-disruption-of-classes policy as stipulated in DepEd Order No. 9, s. 2005 entitled *"Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith"* and the no-collection policy as stated in Section 3 of Republic Act No. 5546 also known as *"An Act Prohibiting the Sale of Tickets and/or the Collection of Contributions for Whatever Project of Purpose from Students and Teachers of Public and Private Schools, Colleges and Universities"* (Ganzon law). In addition, this must not be construed that this Office is endorsing any product or services in compliance with DepEd Order No. 28, s. 2001, re: *Prohibiting the Commercialization of the DECS Organization Through Endorsements and Accreditation of Goods and Services*.

Furthermore, in the prevalence of flu in the locality, this Office advises that safety and health protocols in line with Covid-19 transmission must be observed by all participants and facilitators in the conduct of the activity.

We appreciate your enthusiasm to supplement the Department with fun-filled learning activities for our learners.
