SUBJECT : **LIST OF SCHOOLS AND BUILDINGS COVERED UNDER THE NATIONAL INDEMNITY INSURANCE PROGRAM FOR FY 2025**

DATE : June 11, 2025

The Bureau of the Treasury (BTr) launched an initiative to provide comprehensive insurance coverage for safeguarding the national assets of the Philippine Government against disasters through the National Indemnity Insurance Program (NIIP).

On January 1, 2024, the BTr officially implemented the NIIP to strengthen the government's financial resilience against natural calamities and disasters. The NIIP, insured under the Government Service Insurance System (GSIS), piloted its coverage with DepEd school buildings. For Fiscal Year (FY) 2025, a total of 84,311 school buildings are insured nationwide.

In preparation for the continued implementation of the NIIP for FY 2025, all concerned offices are hereby informed of the official list of schools and buildings covered under the program. This reflects all eligible school buildings insured for the current policy year. This list may be accessed via the following link:

On January 1, 2024, the BTr officially implemented the NIIP to strengthen the government's financial resilience against natural calamities and disasters. In preparation for the continued implementation of the NIIP for FY 2025, all concerned offices are hereby informed of the official list of schools and buildings covered under the program.
