Subject: **TECHNICAL WORKING SESSION WITH EPP/TLE/TVE/TVL WRITERS AND EVALUATORS ON THE DEVELOPMENT MECHANISM OF QUARTERLY ASSESSMENTS**

Date : July 30, 2025

This is in reference to DepEd Order No. 8, s. 2015, which underscores that classroom assessment is an essential component of curriculum implementation. In particular, the Quarterly Assessment serves as a vital tool for measuring students' learning progress at the end of each quarter. To ensure that the learning competencies for the quarter are effectively met, the Curriculum and Implementation Division (CID) will oversee the implementation of the Unified Quarterly Test, which will be standards-based.

In line with this, a Technical Working Session will be conducted for EPP/TLE/TVE/TVL writers and evaluators to discuss and finalize the development mechanism of the Quarterly Assessments on August 6, 2025; 1:00pm at the Division Conference Room. Attached herewith are the list of participants for this session.

Concerned School Heads are expected to arrange class schedules to ensure that no disruption occurs, in compliance with DepEd Order No. 9, s. 2005, which focuses on increasing Time-on-Task and ensuring that the regular flow of learning activities continues without interruption.

Food allowance, including travel expenses of participants, shall be charged against school MOOE or any other local funds, subject to the usual accounting and auditing rules and regulations.

For your information, guidance, and compliance.
