Office of the Undersecretary for Curriculum and Teaching

SUBJECT : **WORKSHOPS ON DEVELOPMENT, VALIDATION, AND FINALIZATION OF DISTANCE EDUCATION MODULES FOR LEARNERS WITH SEVERE TO PROFOUND DISABILITIES**

DATE : **July 9, 2025**

The Department of Education (DepEd), through the Bureau of Learning Delivery (BLD), will develop distance education modules for learners with severe to profound disabilities. These modules will be aligned with the Basic Education Curriculum and anchored on DepEd Order No. 21, s. 2020, Policy Guidelines on the Adoption of the K to 12 Transition Curriculum Framework for Learners with Disabilities.

The modules for distance education of learners with severe to profound disabilities will focus on three of the seven learning packages identified in the policy: care skills package; life skills package; and functional academic package.

The development of modules for distance education aims to equip learners with severe to profound disabilities with essential skills that promote independence in daily living and support their development as productive members of society.

Objectives of the Activity:

- To develop learning modules that are responsive to the unique needs of learners with severe to profound disabilities
- To design engaging and developmentally appropriate learning activities for these learners
- To prepare practical and effective assessment tools tailored to their capabilities
