The program will be rolled out to selected participating schools under the DepEd Provincial and City Division Schools. It aims to build the capacities of and empower key stakeholders particularly the teachers, students, parents, 4Ps beneficiaries, IPs, barangay and municipal government units—by promoting the establishment of diverse vegetable showcase gardens. These gardens will serve as models for safe and healthy vegetable production, following recommended agricultural practices and protocols.

Further, only **one (1) representative from the participating School** is required to attend either the **School Administrator/GPP School Coordinator**. Said activity still strictly adheres to LIATF Guidelines for mass gathering and adhere to minimum strict health protocols.

Herewith attached the **List of Schools** expected to attend on the above activity with the corresponding *Scheduled Date of Attendance*. Further, we are requesting earnestly from your end the presence of the **above-mentioned personalities** on said scheduled dates.
