Office of the Schools Division Superintendent

DIVISION MEMORANDUM

CID-2025-772

To : Assistant Schools Division Superintendent
CID Chief
Public Schools District Supervisors
Education Program Supervisor (Kindergarten Focal)
School Heads

Subject : **Improvement of Learning Exemplars for Kindergarten Curriculum**

Date : August 28, 2025

During the 2024-2025 school year, the Kindergarten Learning Exemplars already integrated 21st-century skills to support student development. This year, the focus will shift to incorporating the alphabets and numbers 1 to 100 into each competency across Quarters 1 to 4 to further enhance literacy and numeracy skills and address existing gaps.

Considering this, a session will be conducted on September 4, 2025, 1:00 o'clock in the afternoon, at the Division Conference Room.

Kindergarten teachers are required to bring their laptops and copies of the Learning Exemplars for review.

Teachers are expected to align their lesson plans with the updated exemplars, ensuring that each competency includes the alphabet and numbers to strengthen foundational skills.

Expenses of the participants relative to the attendance of the session shall be charged against school MOOE or other sources of funds, all subject to the usual accounting and auditing rules and regulations.

For immediate dissemination and compliance.
