Concerned Education Program Supervisors  
Concerned Public Elementary and Secondary School Heads  
All Others Concerned

Subject : **CONDUCT OF VOLUNTARY CO-CURRICULAR ACTIVITIES ON WANDERING MINDS  
SCIENCE MOBILE EXHIBIT**

Date : September 1, 2025

Relative to Regional Memorandum CLMD-2025-317 on the conduct of the **Wandering Minds Science Mobile Exhibit**, this is to inform the field that the exhibit has been granted approval to conduct the following co-curricular activities for the School Year 2025–2026:

- **Wandering Minds Space Dome Mobile Planetarium Experience**
- **Ultimate 3D Science Experience**
- **Jurassic on Wheels**
- **World of AI**
- **Aquadome**

Please take note of the following conditions for the proper execution of these activities:

1. **School Principal Permission:** The event organizers, **Wandering Minds**, must secure formal permission from the concerned school principal prior to conducting any activity. A formal letter communication requesting approval must be submitted to the principal.
2. **Voluntary Participation:** Participation in the program is voluntary and must adhere to the policy on "No Disruption of Classes," as stipulated in DepEd Order No. 9, s. 2005.
3. **No Collection Policy:** In accordance with Republic Act No. 5546 (Ganzon Law) and DepEd Memorandum No. 41, s. 2024, no contributions or fees shall be collected from students or teachers for participation in this activity.
4. **No Government Funds:** The implementation of this program shall not involve the use of government funds.
5. **Adequate Supervision:** Teachers must accompany their students throughout the duration of the event.
6. **Safety Gear:** Students are encouraged to wear appropriate footwear and attire to prevent accidents, especially during the exhibits.
7. **Emergency Protocols:** The venue should be equipped with medical and first-aid personnel. In the event of any emergencies, participants must immediately inform event coordinators or staff for prompt assistance.

School heads are highly encouraged to review the program details and assess its alignment with the educational goals of their respective schools. For further information, please refer to the attached memorandum, letter and brochure.

REGIONAL MEMORANDUM  
CLMD-2025-317

WANDERING MINDS SCIENCE MOBILE EXHIBIT

To: Schools Division Superintendents

1. Herewith is the letter from Kristel Dianne Tabangay-Barnhill and April Anne Lerit, regarding the Wandering Minds Science Mobile Exhibit
2. This Office informs that participation of learners shall be subject to a no-disruption-of-classes policy stipulated in DepEd Order No.9, s. 2005 entitled Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith. The activity is also subject to no-collection policy as stated in Section 3 of Republic act No. 5546, An Act Prohibiting the Sale of Tickets and/or the Collection of Contributions for Whatever Projects or Purpose from Students and Teachers of Public and Private Schools, Colleges and Universities.
3. All other details of the activity are in the enclosures.
4. Immediate dissemination of this Memorandum is desired.

Dear Director Farnazo:

The Wandering Minds Science Mobile Exhibit is a traveling educational program we have proudly conducted since 2019. For over five years, we have brought science to life for thousands of students through modern, interactive, and immersive exhibits that make learning exciting and meaningful. Each year, we update and expand our offerings to stay aligned with current scientific and technological advancements. With the issuance of an advisory from your office, we believe we can reach more schools across the region even more effectively.

We aim to continue inspiring and engaging students nationwide through our interactive learning experiences, designed to complement the K-12 curriculum and instill a deep appreciation for science and technology. Our updated program includes:

- Wandering Minds Space Dome Mobile Planetarium Experience
- The Ultimate 3D Science Experience
- Jurassic On Wheels and the World of AI (updated with new AI simulations and exhibits)
- Aquadome: An Immersive Journey into Aquatic Life and Environmental Stewardship – launching by Q4 of 2025

All programs are aligned with the provisions of DepEd Order No. 9, s. 2005 and will be conducted on school campuses, with the assistance of our trained lecturers and facilitators. We assure the Department and participating schools that all financial contributions remain voluntary; our team ensures no pressure will be placed on students or schools to contribute and we are committed to making our exhibits inclusive and accessible to all students regardless of financial means.

## SY 2025-2026 EXHIBITS

### THE ULTIMATE 3D SCIENCE EXPERIENCE

**The Ultimate 3D Science Experience** is an innovative and comprehensive program that provides an immersive and engaging learning opportunity for students of all ages. With a Chroma Key Workshop, over 20 science manipulative exhibits, a 3D movie experience, a telescope lecture, and object viewing, students can explore the worlds of special effects, physics, biology, chemistry, astronomy, and more. Through hands-on experimentation and exploration, students can develop their critical thinking, problem-solving, and creativity skills.

Philippines' Largest Mobile Van De Graaff

Over 20+ Science manipulative exhibits

Telescope lecture and object viewing

### SPACE DOME MOBILE PLANETARIUM EXPERIENCE

**Space Dome Mobile Planetarium Experience** offers a unique opportunity to explore the wonders of the universe within the comfort of your own school. Our portable planetarium is equipped with a state-of-the-art projector and audio system that enable an immersive and realistic portrayal of the night sky, complete with stars, planets, and other celestial objects. As an added attraction, students will also be introduced to the fascinating world of artificial intelligence. Our team of educators will guide participants in virtual space missions, planetarium shows, and Q&A sessions.

### NEW: JURASSIC ON WHEELS AND WORLD OF AI

**Jurassic On Wheels and World of AI: A New Educational Experience.** Our immersive experiences promise to captivate learners of all ages. Witness historical inventions and their societal impacts unfold before your eyes. Explore the cutting-edge realm of artificial intelligence in "World of AI," discovering its fascinating history, effects, and limitless potential. Experience the thrill of Dino 3D Encounter where life-sized dinosaurs come to life. Uncover the mysteries of dinosaur evolution and extinction in "Jurassic Explorations," exploring into the latest discoveries and research in paleontology. Our "You Are What You Eat" attraction examines nutrition and health, educating students about the impact of dietary choices on their overall well-being.

You are what you EAT

World of AI Artificial Intelligence

**DURATION:** The program runs for approximately 2 hours per batch.

**VENUE NEEDED:** Space Dome Mobile Planetarium Experience, The Ultimate 3D Science Experience, and our new offering, Jurassic On Wheels and the World of AI

- One (1) well-ventilated classroom good for 50-80 students.
- One (1) well-ventilated classroom or Audio-Visual Room good for 50-80 students, we will provide the silver screen, 3d projectors, and sanitized 3d glasses.
- Electrical outlets with ample power supply
- Covered court for the Space Dome/Jurassic On Wheels and World of AI

**TARGET PARTICIPANTS:** We provide a program suitable for all levels: Preschool to Senior High School. We also cater to college students.

Our team of experienced lecturers and staff is dedicated to delivering exceptional content that aligns with your school's educational goals and values. We will provide comprehensive support throughout the planning and execution of the exhibit to ensure a seamless and successful event.

Investing in scientific education is essential for preparing students for a future where critical thinking and problem-solving skills are paramount. Through our Science Mobile Exhibit, we aim to contribute to your school's mission of nurturing well-rounded, curious, and informed individuals.

Should you have any questions or require additional information, please feel free to contact us at the mobile number below.

Respectfully yours,

Kristel Dianne Tabangay-Barnhill and April Anne Lerit
