Subject : **ADDENDUM TO SY 2025-2026 DIVISION SCIENCE AND MATHEMATICS MONTH CELEBRATION**

Date : September 3, 2025

In reference to Division Memorandum CID-2025-348 re: SY 2025-2026 Division Science and Mathematics Month Celebration, dated August 13, 2025, this Office informs the field that the opening program of the said activity will be held at Ramon Magsaysay Central Elementary.

With the nature of activities/events and the number of participants who will be attending the said event and to ensure their health and safety, this Office further informs the field that the herein attached list of personnel and learners will serve as Technical Working Group Members, Nurse-On-Duty and Student-Performers during the competition on specific dates. Attached herewith is also the Program of Activity for the opening ceremony and the details of the number of registered participants..

Members of the Technical Working Group/Committee are hereby directed to conduct an ocular inspection and carry out all necessary preparations at the designated venue days prior to the scheduled activity.

School/Department heads are reminded to implement alternative modes of delivery to ensure that the classes of teacher-participants will continue while they participate in the event subject to the policy on "No disruption of classes" as per DepEd Order No. 9, s. 2005 entitled "Instituting Measures to Increase Engaged Time-On-Task and Ensuring Compliance Therewith."

Other details related to the aforementioned event are still in effect.

Immediate and wide dissemination of this memorandum is desired.

Enclosed as stated

All competitions are open to both public and private schools.

Address: Roxas cor. Lopez Jaena Streets, Zone II, Digos City (8002)
Telephone Nos.: (082) 553-8375; (082) 553-8396
Email: digos.city@deped.gov.ph
Website: depeddigoscity.org

The following are the specific objectives:

1. Enhance learners' mastery of scientific and mathematical concepts by engaging them in quiz bees, problem-solving activities, and logic-based competitions that promote accuracy, speed, and critical thinking.
2. Foster creativity, innovation, and research skills through science investigatory projects, robotics challenges, and technology fairs that address real-world problems and encourage inventive solutions.
3. Develop analytical reasoning, strategic thinking, and algorithmic skills through mathematics-based games, puzzles, and debates such as DAMATH, Sudoku, Tower of Hanoi, and Rubik's Cube.
4. Promote collaboration, communication, and sportsmanship by organizing team-based events and activities that build confidence, teamwork, and leadership among learners.
5. Encourage artistic expression and advocacy for science and mathematics through poster-making and other creative platforms that raise awareness of scientific and technological issues.

As part of the preparations for this month-long celebration, an Online Planning Conference will be conducted via the following Google Meet links:
