ATTENTION: Dr. Ritchelle S. Aresco
Medical Officer IV

Dear Dir. Farnazo,

The Department of Health – Davao Center for Health Development (DOH-DCHD) remains steadfast in its commitment to ensuring that schools comply with established health standards and continuously identify areas for improvement in creating safe, inclusive, and health-promoting learning environments.

With the ongoing implementation of the *Oplan Kalusugan sa DepEd – Healthy Learning Institutions (OKD-HLI) Program* in the region, we hereby endorse the *Interim Guidelines for the Implementation and Recognition Process of the Healthy Learning Institutions Program for Basic Education Institutions – 2025*.

We strongly encourage all basic education institutions to prioritize the completion and timely submission of the Self-Appraisal Checklist (SAC), which is the basis for the certification process. For your reference, the SAC is attached and is also downloadable via the following link, which will serve as the basis for certification:
<https://tinyurl.com/SelfAppraisal2025>

We kindly request your assistance in disseminating the guidelines to all Schools Division Offices in the region. Thank you for the continued support and partnership. For any questions, please contact Ms. Yasmin P. Mandangan at 0998-852-7533 or Ms. Jennylyn Joy Cagasan at 0936-735-4061.

Truly Yours,

DEPARTMENT MEMORANDUM

No. 2025 - 0313

TO: ALL UNDERSECRETARIES AND ASSISTANT SECRETARIES OF HEALTH; DIRECTORS OF BUREAUS, SERVICES, AND CENTERS FOR HEALTH DEVELOPMENT; AND MINISTER OF HEALTH OF THE BANGSAMORO AUTONOMOUS REGION OF MUSLIM MINDANAO

SUBJECT: Interim Guidelines for the Implementation and Recognition Process of the Healthy Learning Institutions Program for Basic Education 2025

I. BACKGROUND

Section 30 of Republic Act (RA) No. 11223, or the Universal Health Care (UHC) Act, mandates that schools under the supervision of the Department of Education (DepEd) be designated as healthy settings.

In line with this, the Department of Health (DOH), through its Centers for Health Development (CHDs), implements the Healthy Learning Institutions (HLI) Program through the provision of technical and financial assistance to Province- and City-wide Health Systems (P/CWHS) to assist them in initiating and establishing health promotion programs in their localities.

In view of the above, these guidelines are being issued to provide guidance on the selection and prioritization of P/CWHS for provision of program implementation funds for HLI implementation in 2025 and to prescribe process flows in the effective monitoring and evaluation of program implementation between the CHDs and the Health Promotion Bureau (HPB).

II. GENERAL GUIDELINES

- A. To ensure effective, efficient, and equitable implementation of the program, all CHDs are hereby directed to administer, manage, and monitor the implementation and fund utilization of the HLI program in coordination with

P/CWHS based on DOH Department Order No. 2025-0100 or the Guidelines on the Sub-allotment and Utilization of Funds to the CHD for the Implementation of Healthy Settings Programs.

- B. All CHDs shall prioritize and select P/CWHS for the implementation of the HLI programs to equitably achieve regional health promotion targets.
- C. All CHDs shall engage priority P/CWHS for the HLI program implementation.
- D. All CHDs shall implement the 2025 HLI program in the priority P/CWHS charged against their respective Health Promotion Budget Line Item.
- E. CHDs may implement the 2025 HLI program in other P/CWHS not identified as priority P/CWHS, subject to the availability of funds.
- F. All CHDs shall conduct capacity building and provision of other technical assistance to P/CWHS to be able to successfully implement settings-based health promotion programs and activities, aligned with the Health Promotion and Framework Strategy.
- G. All CHDs shall monitor and evaluate the HLI program, including utilization of program implementation funds and ensuring disbursement and utilization according to the Commission on Audit (COA) rules and other relevant national and local laws.

III. SPECIFIC GUIDELINES

1. The HLI program aims to assist schools and other learning institutions to become HLI, as defined in DOH-DSWD-DepEd-CHED-LLB-TESDA-DILG JAO No. 2022-0001, through the provision of technical assistance.
2. For equity considerations, priority for technical and financial assistance shall be given to target last-mile elementary schools (LMEs) and other learning institutions in similar circumstances to provide support in operationalizing school-level action plans for HLI, unless there are no last-mile schools in the province or city.
3. Province or cities may provide financial assistance to Non-LMEs as long as **both** of the following are met:
 - a. At least 90 percent of schools being provided financial assistance are LMEs; and,
 - b. The Non-LMEs meets **at least one of the following** (based on the DepEd Memorandum No. 059, s. 2019):
 - i. The school has less than four classrooms, with unpaved floors and walls made of *sawali* materials;
 - ii. The school has no electricity, OR has not had facilities repaired or construction done in the last four years;
 - iii. The school is located more than an hour away from the town center, is accessible only through difficult terrain, or is located in far-flung mountains and islands.

- iv. The school has multi-grade classrooms with less than five teachers. OR more than 75 percent of learners are indigenous people;
 - v. The school does not have complete sets of school furniture, no computers, no internet connection, very few textbooks and manuals, and lacks laboratory equipment.
 - vi. The school is located in areas with problems of peace and order that pose challenges to school building projects, and where private contractors, suppliers, and service providers find it difficult to access to deliver necessary equipment and services.
4. The list of updated target numbers of schools to be recognized as HLI per region is provided in Annex A. The updated list of Last Mile Schools from the Department of Education - Central Office can be accessed using the link <https://tinyurl.com/1MEList2025>
 5. CHDs that have already reached their target number of engaged Last Mile Schools from the previous years of program implementation need not add new sites, but must work on supporting the current implementing schools to reach the target baseline rating and qualify as HLI-recognized or provisionally certified schools.

IV. RECOGNITION PROCESS

A. Definition of Terms

- a. **Healthy Learning Institutions (HLI) Program** – A multi-sectoral initiative that aims to promote the health and well-being of learners and school personnel by developing standards for healthy learning institutions and providing technical or financial support to integrate school health initiatives.
- b. **Last Mile Elementary Schools (LMEs)** - last mile schools as defined by DepEd Memorandum No. 059, s. 2019 that are Pure Elementary School in terms of Modified Curricular Offering Classification in the official list endorsed by DepEd CO.
- c. **Oplan Kalusugan sa DepEd (OK sa DepEd; OKD)** – Officially launched in 2018 through DepEd Order No. 28, s. 2018, OK sa DepEd serves as the convergence of the Department of Education's school health and nutrition programs to ensure their effective implementation at the school level. It highlights six flagship programs: the School-Based Feeding Program (SBFP) and other nutrition support initiatives; Medical, Dental, and Nursing Services, including the School Dental Health Care Program (SDHCP); Water, Sanitation, and Hygiene (WASH) in Schools (WinS) Program; Adolescent

Reproductive Health; the National Drug Education Program supported by comprehensive tobacco control measures; and the School Mental Health Program.

- d. **Provisionally Certified Schools** – Also known as **HLI-recognized schools**. For Basic education, these are schools, whether Last Mile or Non-Last Mile, that achieved a baseline rating of at least 65% per pillar on the nationally validated Self-Appraisal Checklist (SAC) and have been approved by the HLI National Technical Working Group (NTWG). For 2025, provisional certification applies only to public Basic Education Institutions (BEIs). Guidelines for recognizing private schools will be released in a future policy issuance upon full implementation of the program. The validity of the provisional certification will depend on the approved acquired rating of the school, following this criteria:

Description	Validity of Certificate
The school received passing marks in all pillars and scored an average of 65%-80%	1 year
The school received passing marks in all pillars and scored an average of 81%-95%	2 years
The school received passing marks in all pillars and scored an average of 96%-100%	3 years

- e. **Public Basic Education Institutions (BEIs)** – Public schools governed by the Department of Education, offering programs including Kinder to Grade 12

B. Process and Standards for Recognition

- a. The tool for the 2025 recognition process is the OKD-HLI Self-Appraisal Checklist (SAC), containing the standards and indicators based on the 6 Pillars of the WHO's Health Promoting Schools Framework. See Annex B for the updated copy of the SAC
- b. The schools must submit their self-rated SAC together with the required means of verification (MOV) from the SY 2024-2025 activities. Only 1 SAC must be submitted per school, and only the school head, principal, or their assigned deputy must fill out the SAC. The school ID will be required to check the number of submissions per school. Second and duplicate copies will not be entertained.
- c. The Schools Division Offices (SDOs) will be checking for the completeness and appropriateness of the provided MOVs. Once checked, the initially validated SAC and its MOVs will be endorsed to the Regional counterparts (DepEd RO and CHDs) for joint onsite validation. See Annex C for the SDO endorsement template.
- d. At the regional level, there must be two (2) validators per SAC, 1 from DepEd and 1 from CHD. Each validator must provide separate ratings for each

indicator on the submitted SAC. The CHD will then collate the ratings from both validators using Annex D (Endorsement of Validation Scores) and filter to determine which school passed the baseline rating of 65% per pillar. The list of schools that passed the regional validation will be endorsed to the DOH HPB for final validation and presentation to the NTWG-HLI. See Annex E for the Regional endorsement template.

- e. The HLI secretariat shall validate the SAC scores as endorsed by the CHD and will come up with the final list of schools that qualify for provisional certification. This will be presented to the NTWG for vetting and concurrence.
- f. Once the NTWG concurs, the official list of provisionally certified schools will be issued through memo by both DOH and DepEd CO.
- g. The process flowchart may be seen in Annex G.

C. Timeline for 2025 Recognition

Prescribed Timeline	Activity

V. ROLES AND RESPONSIBILITIES

A. Department of Health, Health Promotion Bureau shall:

1. Provide guidance on targeting and selection of P/CWHS for the HLI program implementation funds to ensure equity, as well as to accelerate achievement of National Objectives for Health targets.
2. Provide guidance to CHDs in developing work and financial plans, disbursement, utilization and monitoring of the HLI program implementation funds
3. Provide technical tools, in the form of playbooks and other capacity-building modules, to assist P/CWHS in initiating and establishing setting-based health promotion.

4. Review and validate HLI program implementation work and financial plans, monitoring reports, and funds utilization reports.
5. Ensure CHD readiness to provide technical assistance to P/CWHS to plan, implement, and monitor health promotion, policies, programs, and activities.

B. Centers for Health Development - Health Promotion Units shall:

1. Oversee the implementation of the 2025 HLI program to accelerate the implementation of the settings-based approach to health promotion.
2. Prioritize and select the P/CWHS for provision of financial assistance for the 2025 HLI program to achieve regional health promotion targets, and in due consideration of equity.
3. Through the Provincial or City DOH Offices (P/CDOHO), engage and mobilize local government stakeholders, including municipal-level health offices or school boards, to implement the 2025 HLI program.
4. Ensure the participation of relevant program managers and other regional representatives in the planning, implementation, and monitoring and evaluation of the 2025 HLI program.
5. Assist P/CWHS in the completion of requirements for the provision of financial assistance for the implementation of the 2025 HLI program.
6. Conduct capacity building and provision of other technical assistance to P/CWHS to be able to successfully implement settings-based health promotion programs and activities, aligned with the Health Promotion and Framework Strategy.
7. Monitor the utilization of program implementation funds and ensure efficient disbursement and utilization according to the Commission on Audit rules and other relevant national and local laws.
8. Monitor the implementation of the 2025 HLI program and collect necessary reports and M&E forms as scheduled.

C. Province and City-wide Health Systems shall:

1. Through the Provincial or City Health Office, lead in the overall planning, coordination, implementation, monitoring & evaluation of the 2025 HLI program.
2. Ensure the participation of relevant program managers and other provincial/ city representatives in the planning, implementation, and monitoring and evaluation of the 2025 HLI program.
3. Submit the requirements for the provision of financial assistance by their respective CHDs for the implementation of the 2025 HLI program.

For guidance and strict compliance,

By Authority of the Secretary of Health:

GLORIA J. BALBOA, MD, MPH, MHA, CEO VI, CESO III
Assistant Secretary of Health - Integrated Resilience Office

INSTRUCTIONS TO APPLICANTS: This form is intended to be filled out by school heads or designated school personnel interested to apply for **Oplan Kalusugan sa DepEd - Healthy Learning Institutions certification**. Answer only the "Applicant" portion. Indicate "1" if the item is fully in place, "0.5" if partially in place, and "0" if absent. At the end of each portion, add the scores per indicator. An indicator is only given a score of "1" if all of its component standards scored 1. A score of 0.5 in any standard will result in the indicator scoring 0.5.

Validators will visit the school at a later date to verify all information provided. Please answer honestly and be prepared to show any Means of Verification (MOVs) during the surveyor's visit. Schools found to have "Satisfactory" marks or higher will be eligible to be certified as Healthy Learning Institutions.

INSTRUCTIONS TO THE VALIDATORS: Validate the applicant's scoring for each standard. Score "1" on the indicator if all of its component standards are found to be fully in place. If one standard is only partially in place, score "0.5" on that indicator. Indicate the MOVs, if any (e.g. observation, photo, video, accomplishment report, lesson plans, etc.) in the "MOV" portion. At the end of each portion, total the scores per indicator.
