Greetings!

UP Lipunang Pangkasaysayan (UP LIKAS) is an academic organization of students in the University of the Philippines Diliman that promotes a critical and more relevant study of history as well as awareness of Filipino culture and society through different activities. One of the major endeavors of our organization is the annual National Conference of History Students. Last year, UP LIKAS successfully held its conference entitled **Halin: Pagsasakaysayan ng Diaspora at Pandarayuhang Pilipino**. The conference discussed the concept of diaspora throughout Philippine history, from the period of antiquity until the present day. The two-day conference discussed topics that covered the history of Filipino migrants, seafarers, expatriates, exiles, and workers, and how their plight contributes to the development of Filipino nationalism and heritage.

This year, UP LIKAS will be holding its **34th National Conference** entitled **"Torong: Batas at Hustiya sa Kasaysayan Pilipino"** and will be held on the **10th to 11th of November 2025 at the UP School of Statistics Auditorium, University of the Philippines Diliman, Quezon City, 8:00 AM - 5:00 PM**. The theme of this year's conference is to provide wider knowledge and understanding towards the history of the legal systems in the country and the development of the concept of justice. The 2-day conference will discuss the legal history of the Philippines, from its beginnings to the present, and how the understanding of justice as well as the legal systems in the country changed during the different periods.

In this regard, we humbly invite your office to take part in our activity wherein we aspire to gather over three hundred high school students and social studies teachers all over the country. We would also like to seek support from your office in conducting this activity through the issuance of a **DepEd accreditation** and **regional memorandums**. If possible, we would also like to request, **for the benefit of the teachers and students who are interested in this conference, that their expenses be placed under the schools' respective training and development fees**. With your support, we could achieve our vision of promoting critical thinking in the field of history. We are expecting around three hundred delegates in this year's conference.

The registration fee for the 2-day conference is **750 pesos**. Attached to this e-mail is a formal letter of request for endorsement and the release of an advisory, as well as all other necessary supporting documents referring to the event. Should you have any inquiries, you may contact the undersigned through e-mail at [uplikas@gmail.com](mailto:uplikas@gmail.com) and we will gladly discuss these matters with you personally.

With your support, we could achieve our vision of promoting critical thinking in the field of history by collaborating with your advocacy.

We look forward to your most affirmative response **no later than October 3, 2025**. Thank you very much!

Respectfully,

Audrey Zazel Espeso
