Dear Mr. Farnazo:

Greetings from the Fulbright Commission in the Philippines!

The Philippine-American Educational Foundation (PAEF), also referred to as the Fulbright Commission in the Philippines, is a bi-national commission that administers the prestigious Fulbright program – an international and cultural exchange program that awards scholarship grants for Filipino students, young professionals, teachers, and researchers in the United States. The Fulbright program aims to increase mutual understanding and build up the bilateral relations between the people of the United States and the Philippines through study, lecturing, research, and fellowship grants. PAEF, in addition, also administers the Hubert H. Humphrey Fellowship Program and hosts one of the EducationUSA Centers.

We have the pleasure of informing you that we will be hosting an in-person information session on **September 27, Saturday, 9:30 AM at the SMX Convention Center, Davao**. This event aims to provide comprehensive details on the scholarship programs we offer to students, faculty, and professionals who wish to pursue academic and professional opportunities in the United States. This session will serve as an excellent platform to gain insights into our various programs, including the application process and eligibility requirements, as well as engage with Fulbright alumni.

We kindly request your assistance in disseminating this invitation to your staff, colleagues, and network. A certificate of appearance will be provided after the session. To confirm attendance, kindly register through the following link: <https://forms.office.com/r/E8BrksVZXj>
