REGIONAL MEMORANDUM No. **014**, s. 2025

2025 INTERDIVISION RESEARCH CONGRESS

To: Schools Division Superintendents

- 1. As guided by DepEd Order No. 16, s. 2017 and DepEd Order No. 39, s. 2016, DepEd Region XI has continuously implemented relevant research related activities like training, information dissemination, utilization and archival.
- 2. One of the activities is research congress that aims to disseminate findings and recommendations of funded and non-funded studies. It ensures that research has social, political, economic, and educational impact through driving innovation, informing policy and enhancing education.
- 3. This year, the activity will be conducted on November 12-14, 2025 (virtual presentation- https://msteams.link/T39E) and December 4, 2025 (in person recognition- venue to be announced).
- 4. Enclosed are the guidelines, mechanics and criteria for the activity.
- 5. The Division Research Committees shall provide technical assistance to presenters to ensure compliance and quality of output.
- 6. The Regional Memorandum No. 015, s. 2024- Guidelines on the 2024 Regional Research Congress and other inconsistent issuances are deemed repealed or revoked.
- 7. Should there be any concern, email the Policy, Planning, and Research Division at pprd.region11@deped.gov.ph.
- 8. Immediate dissemination and strict compliance of this Memorandum is highly desired.

GUIDELINES OF THE 2025 INTERDIVISION RESEARCH CONGRESS

- A. The 2025 Interdivision Research Congress (IRC) will be conducted via blended modality in 3 phases: submission, presentation and recognition.
- B. 2024 and 2025 BERF grantees can join in only 2 categories: either oral, poster, or ERV and paper categories.
- C. Regardless of thematic area, presentation shall focus on the following categories:

BERF Category	Non- BERF Category
Oral Research Presentation Basic and Action Research	Student Oral Research Presentation Inner Basearch
 Poster Research Presentation Basic and Action Research Research Paper Basic and Action Research Education Research Video Policy Brief Research Utilization 	InnovE Research Best School Research Management Implementer

1. Submission Phase

- a. Study (BERF and Non-BERF) shall adhere to the minimum requirements of completed research per Annex 6, DO No. 16, s. 2017 (excluding financial report) and utilize the e-saliksik cover page.
- b. Ensure alignment to Basic Education Research Agenda (DO No. 39, s. 2016) and the key outcomes of the Department's 5-Point Reform Agenda and provide any policy implications.
- c. Utilize the prescribed presentation material templates via https://rb.gy/bk86iz.
- d. Manuscripts (PDF file) and presentation materials shall be submitted on or before November 6, 2025 via https://tinyurl.com/RRCentries.
- e. Review the presentation materials and documents since only 1 attempt is allowed during submission.
- f. Entries file name shall be: LAST NAME SDO (all caps lock)
 - · Individual Study DELACRUZ_TAGUMCITY
 - Pair/Team Study- DELACRUZetal_TAGUMCITY (last name of lead author only)
- g. Changes in categories, themes, titles, etc., shall not be entertained after the deadline.

2. Presentation Phase

- Virtual presentation will be conducted using MS Teams on November 12-14, 2025.
- b. Participants shall log in using DepEd email accounts.
- c. SDOs may gather participants in the division/ district office if the internet connection at school is unstable, provided compliance with Regional Memorandum 025, s. 2023, re "Regional Policy Guidelines in

the Substitution of Classes and Grant of Service Credits" to avoid class disruption.

d. Transportation, meals and incidental expenses of grantees shall be charged against local funds subject to the usual accounting and auditing rules and procedures.

e. Participants is given 5 minutes (Oral, Poster, ERV, and InnovE) and 7 minutes (Utilization, Policy Brief, and School Research Management) to present the study, followed by a 5-minute question and answer portion.

f. Only 1 evaluator will ask questions per presentation.

g. For multiple authors, only one proponent will present, however all members may participate in the question-and-answer portion.

h. The Program Management Team (PMT) is in charge of navigating the presentation materials.

 A ranking system will be used to identify the top 5 entries in each category.

 In the event of a tie, the chairman of the panel of evaluators shall break it through a coin toss.

k. A memorandum will be issued for the top 5 entries in each category, who will proceed to the recognition phase.

3. Recognition Phase

a. Participants are the top 5 entries in each category.

 Awarding of winners shall be conducted face-to-face on December 4, 2025 (venue to be announced).

c. Barong or Filipiniana shall be worn during the activity.

d. Top 5 entries in each category are encouraged to bring at least 15-20 pamphlets (any style/template) to intensify the information dissemination of the research results.

e. Each entry shall prepare a 1-minute video highlighting the study's key features (introduction, method, results, analysis, discussion) and submit to the PMT five days before the awarding proper.

f. The video will be presented before the declaration of winners and will no longer affect the result made by the evaluators.

g. Decision of the evaluators is final and irrevocable. Rating sheets are considered personal notes and shall not be given to any participants or requesting party but may be submitted to PPRD for record purposes.

D. A separate Memorandum will be issued on the venue, program, and list of participants.

E. This policy guideline may be adapted to whatever research dissemination activities are conducted in the region, division, or school level, such as congress, colloquium, forum, and conference.

d. Research Paper

- i. Participants are the 2024 and 2025 BERF grantees.
- ii. Divided into 2 sub-categories: action and basic research.
- iii. Manuscript is in A4-sized bond paper, 1-inch margin, Bookman Old Style font, size 11, and in 1.5 spacing.
- iv. Adheres to the minimum requirements of a completed research report per Annex 6, DO No. 16, s. 2017 (exclude financial report) and utilize the esaliksik cover page.
- v. Ensures alignment of the study to BERA (DepEd Order No. 39, s. 2016), key outcomes of 5-Point Reform Agenda and provides policy implications.
- Supplementary documents like requests to conduct the study, validated questionnaires, developed learning material, etc., may be appended for perusal.
- vii. Abstracts should have a maximum of 250 words with keywords.
- viii. Evaluation is done offline and not part during the presentation phase.

e.Policy Brief

- SDO shall identify one entry among the previously completed BERF studies (FY 2023 - below).
- ii. Policy brief shall be in PDF format, A4-sized bond paper, 1-inch margin, Bookman Old Style font, size 11, and in 1.5 spacing.
- iii. May contains moderate designs and has the following parts:

PART	DESCRIPTION
Title Page	Identifies topic and inspires interest, is short, catchy and direct to the point.
Executive Summary	Summarize the key issue, main findings, and proposed policy action. Keep it 100–150 words.
Context and Rationale	Describe comprehensively the problem or issue being addressed. Present the cause and effect of the problem through problem tree analysis. Provide background information with relevant data/statistics. Supplement external insights.
Research Evidence	Present 2-4 major findings from the research that will help address the problem. Use bullets, graphs, or tables for clarity.
Policy Options	Connect the research findings to the policy options Provide actionable (achievable), feasible (practical and affordable) and culturally appropriate (respectful of the cultural and political context) policy recommendations. Frame them as steps for decision-makers. May supplement external insights to strengthen recommendation.
Implications	Explain how adopting the recommendations will benefit learners, teachers, and the education system.
References	Cite only essential references used in the brief.

- iv. Prepare a 10- 12 slide utilizing the prescribed template for presentation.
- v. Uses font Bookman Old Style in size at least 24.

f. Research Utilization

- Each SDO shall identify 1 entry among the previously completed BERF studies (2023- below) whose results, findings and recommendations were utilized to improve the delivery of quality basic education.
- ii. Prepares an electronic portfolio in PDF format, A4-sized bond paper, with 1-inch margins, Bookman Old Style font, size 11, and 1.5 spacing.
- iii. May add moderate design and has the following parts:
 - 1. Title Page
 - 2. Research Abstract
 - 3. Introduction
 - 4. Research Utilization Terminal Reports
 - 5. Means of Verification
 - 6. Reflection.
- iv. Research utilization shall be categorized as follows:

Type	Description	Example
Conceptual Utilization	Changing Understanding or Perspectives Research influences the way people think about a problem or issue, even if not applied immediately.	Research on growth mindset changes teachers' beliefs about intelligence being malleable. Teachers begin encouraging students with "yet" statements ("You haven't mastered this skill yet") to shift mindsets by participating to information dissemination activities like congress, forum, etc.
Instrumental Utilization	Direct Use of Research Research findings are applied directly to practice or policy	A study shows that using formative assessment increases student performance. A school adopts regular formative quizzes as part of its teaching strategy.
Symbolic Utilization	Political or Justificatory Use Research is used to support or legitimize decisions or policies that may have already been made.	A Department of Education cites literacy research to justify rolling out a nationwide reading program, even though the program decision had been planned earlier or a memorandum was issued for the adoption and implementation of an intervention/innovation.

VI. Outstanding Performance in School Research Management

Criteria	Indicators/MOVs	Score (Pts)	Performance Descriptors		
1. Research Governance	Existence of functional School Research Committee/ Coordinator MOVs: Copy of School Memo/Order, Committee Structure, designation order	10	(9-10 pts) Functional committee with official memo/order and clear structure. Coordinator with designation order and approved action plan (8-6 pts) - Committee/ coordinator exists with partial documentation. (1-5 pts) - Committee/ coordinator is informal, limited documentation. (0 pts) - No committee/ coordinator or proof of governance.		
2. Research Capacity	Research Training Conducted MOVs: Activity/ LAC Design , attendance, sample certificates, pictures	10	(9-10 pts) - Conducted at least 3 research related trainings attended by 100% of school personnel with full documentation. (8-7 pts) - Conducted at least 2 research related trainings attended by 50-90% of school personnel with full documentation. (4-6 pts) - Conducted at least 1 research related trainings attended by below 50% of school personnel with partial documentation. (0-3 pts) - No training or evidence provided.		
Building	Participation in Higher-level research related Trainings MOVs: Certificates, travel orders, activity reports, Memorandum	10	(9- 10 pts) -100% of teachers attended higher-level research related trainings, fully documented. (7-8 pts) - 50-99% of teachers attended higher-level research related trainings with adequate documentation.

			(4-6 pts) - Below 50% of teachers attended higher-level research related trainings, minimal documentation. (0-3 pts) - No participation or proof.
	Compilation and BEIS reporting of Research MOVs: Abstracts of research studies, approved proposals, signed BEIS, OPCRF	10	(9-10 pts) - Compilation is complete, updated, and accessible. (7-8 pts) - Compilation exists but incomplete or outdated. (4-6 pts) - Few studies compiled with limited documentation. (0-3 pts) - No compilation or proof.
3. Research Production & Dissemination	Presentation of research/ creation of avenue for Research information dissemination MOVs: Approved Activity Design, terminal report, attendance, Program, pictures, certificates	10	(9- 10 pts) -presentations at international/ national/regional/ division/ district/ school level and conducted school- wide research information dissemination activities with complete documentation. (7-8 pts) - presentations at regional/ division/ district/ school level and conducted school-wide research information dissemination activities with adequate documentation. (4-6 pts) - presentations at district/ school level and conducted classroom/ grade/ department level- wide research information dissemination activities with minimal documentation. (0-3%pts) - No presentations/ of conduct of of information dissemination activities.
	Archival / Publication of Research Outputs MOVs: Screenshots from DepEd e- Saliksik portal, journal, compendium, newsletter, publication links/DOI	10	(9. 10 pts) - 100% of completed Research are archived/published in print or online with valid proof. (7-8 pts) - 50-99% of completed research are published/archived with partial proof. (4-6 pts) - Below 50% of completed research are published/archived with minimal proof. (0-3 pts) - No outputs archived/published.
4. Research Utilization	Improvements in Teaching-Learning MOVs: Lesson plans, reports, test results	10	(9-10 pts) - Research outputs consistently used to improve teaching-learning, significant positive impact to students/ teachers performance, with strong MOVs. (7-8 pts) - Research outputs moderately used to improve teaching-learning, average positive impact to students/ teachers performance, with adequate MOVs. (4-6 pts) - Research outputs poorly used to improve teaching-learning, low positive impact to students/ teachers performance, with minimal MOVs. (0-3 pts) - No evidence of utilization.
	Instrumental and Symbolic Use	10	(9- 10 pts) - Research is reconducted, adopted, utilized or cited and findings translated into school policy/programs with complete documentation. (7-8 pts) Research is reconducted, adopted, utilized or cited with documentation.
