Dear Department of Education Region XI,

Warm greetings from the Philippine Association of Food Technologists, Inc. – Lambda Chapter (PAFT-λ).

We hope this message finds you well. PAFT-λ is the official student organization representing Food Technology students at the University of the Philippines Mindanao. For over two decades, our organization has actively promoted the recognition of Food Technology as a science-based discipline integral to achieving national food security and advancing public welfare.

In line with our advocacy of bringing Food Technology closer to the community, PAFT-λ, in collaboration with the Department of Food Science and Chemistry (UP Min), will be conducting an outreach initiative entitled **“PAFTCaravan: Navigating the World of Food Technology.”** This event aims to introduce the BS Food Technology program to senior high school students in Davao City as they prepare for their UPCAT application. The caravan is scheduled to take place on **November 21 and 24, 2025**, across selected senior high schools.

To realize this initiative, we respectfully seek partnership with your esteemed office to encourage the participation of senior high schools in the region. We would also like to inquire about the appropriate procedures for proposing such a partnership, as well as the necessary documentation and requirements to ensure full compliance with DepEd protocols.

We sincerely hope for your favorable response and guidance. We look forward to the opportunity of working collaboratively with your office in promoting academic engagement and informed career exploration for students.

Thank you very much for your time and consideration.

Respectfully,

CRIS ANNALEE F. SAAVEDRA

President

Philippine Association of Food Technologists, Inc. Lambda Chapter (PAFT-λ)
