This activity addresses reports of loan applications from institutions such as GSIS, HDMF, and Landbank being processed without the required Net Take Home Pay (NTHP) verification. Following the pilot testing conducted with the selected verifiers in Regions IV-A and NCR—and subsequent revisions based on its findings—this roll-out will present the enhanced NTHP verification system. The updated system incorporates additional improvements and inputs to ensure more accurate processing and full compliance with established payroll policies and procedures.
