Dear Sir/Madam,

Peace in the name of the divine providence!

The Davao del Sur State College (DSSC), through its Diversity, Equity, and Inclusivity (DEI) Unit, is organizing a vital faculty and staff development training titled **"Speak with Your Hands: FSL Training for Campus Professionals & Student Leaders."**

In connection with the celebration of Deaf Awareness Week, this one-day training aims to promote inclusive education, comply with the Filipino Sign Language (FSL) Act RA 11106, and empower our campus community with basic FSL skills. For this highly specialized training, we are earnestly requesting the kind consideration of your office to allow two of your highly respected Special Needs Education (SNED) teachers to serve as our Resource Speakers:

- 1. Ma'am Lourdes Angelica Famulagan, SNED Teacher**
- 2. Ma'am Cheenée A. Osorno, SNED Teacher**

We believe that their expertise, particularly in the practical application of FSL, is essential for the success of this program and will greatly benefit our target participants, which include DSSC Faculty, Staff from various offices (Registrar, Admission, Guidance), and Student Leaders. The training is scheduled to be held on **November 21, 2025, 8 am to 4 pm**, at the DSSC Main Campus – Virtual Library.

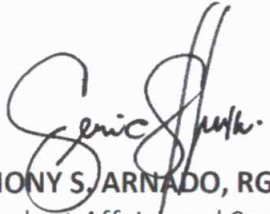

We sincerely hope for your favorable response and support for this initiative, which promotes accessibility and inclusivity within the higher education sector. We are ready to comply with any requirements needed to formalize this request.

Thank you very much.

Respectfully,
