Concerned Public Schools District Supervisors
Concerned Education Program Supervisors
Concerned Public and Private Elementary School Heads
Concerned Public and Private Elementary Teachers
All Others Concerned

Subject : **INVITATION TO PARTICIPATE IN THE "MATECHYAN!: TECH MADE EASY, PARA SA GURO!" WEBINAR SERIES**

Date : November 24, 2025

This Office respectfully refers to the attached invitation from the Learning Institute for Future Technologies, regarding participation in the free webinar series titled "MaTechYan!: Tech Made Easy, Para sa Guro!", scheduled from November 20, 2025, to December 4, 2025, via Zoom.

The webinar series aims to equip educators with practical technology tools and skills to enhance their teaching methods. As an online event, participation is subject to the following provisions:

1. **No Disruption of Classes:** Participation in the webinar must not interfere with the regular class schedule. School heads are advised to ensure that the sessions are conducted in a manner that will not disrupt student learning. This aligns with DepEd's **No Disruption of Classes Policy**, as stipulated in DepEd Order No. 9, s. 2025, and should be coordinated with school heads for scheduling.
2. **Learning and Development Priorities:** Participation is subject to the discretion of the approving authority, taking into consideration the division's learning and development priorities and needs.
3. **Approval and Coordination:** All participants must secure approval from the school principal or head, with coordination to ensure there is no conflict with ongoing school activities or classes.

Relevant details and other information are contained in the enclosures for guidance and reference.

For information and dissemination.

Enclosed: As Stated.

- I. **Rationale:** This initiative supports the LIFT Program's advocacy of equipping educators with digital citizenship and innovation skills in alignment with DepEd's priorities on ICT integration and digital literacy.
- II. **Objectives:** This program aims to:
 1. Strengthen educators' ability to use generative AI and digital tools in lesson planning and delivery.
 2. Design engaging, technology-integrated classroom activities that enhance student learning.
 3. Foster collaboration and sharing of innovative teaching practices among educators.
 4. Exhibit digital competencies that demonstrate effective use of technology in teaching and learning.
- III. **Target Participants:** Public and private school teacher
- IV. **Platform and Schedule:** Sessions will be held via **Zoom** from **November 20 to December 4, 2025**.
- V. **Certification and Requirements:** Participants who complete the post-evaluation will receive an e-certificate of participation.
