DIGOS CITY DIVISION

Office of the Schools Division Superintendent
DIVISION MEMORANDUM

SGOD-2025-711

To : Assistant Schools Division Superintendent
CID and SGOD Chiefs
Education Program Supervisors
Public Schools District Supervisors
School Heads and Teachers of Public
Elementary and Secondary Schools
All Non-teaching Personnel

Subject : INVITATION TO THE RESEARCH FAIR

Date : November 3, 2025

In reference to the attached 1st Indorsement signed by the Regional Director Allan G. Farnazo, dated October 8, 2025, re: "Invitation to the Research Fair", this Office interposes no objection to this invitation, the contents of which are self-explanatory.

Interested participants may participate in the activity provided that they adhere to the policies on "No Disruption of Classes" per DepEd Order No. 9, s. 2005 entitled: "Institutionalizing Measures to Increase Engaged Time-on-task and Ensuring Compliance Therewith", and Division Memorandum CID-2025-021, re: "Implementation of Intensive Academic Engagement Initiative", ensuring that all classes go unhampered.

For information, guidance, and compliance.

MELANIE P. ESTACIO, PhD, CESO VI
Schools Division Superintendent

07 October 2025

Allan G. Farnazo
DepEd Regional Director
Region XI

Dear Dr. Farnazo:

Greetings!

We are from the **University of the Philippines Academic League of Chemical Engineering Students, Inc. (UP ALCHEMES, Inc.)**, a duly registered academic organization from the UP Diliman College of Engineering. Guided by our commitment to academic excellence, unparalleled service, and holistic development, we continually strive to create meaningful projects that benefit the members, the college, the university, and the nation.

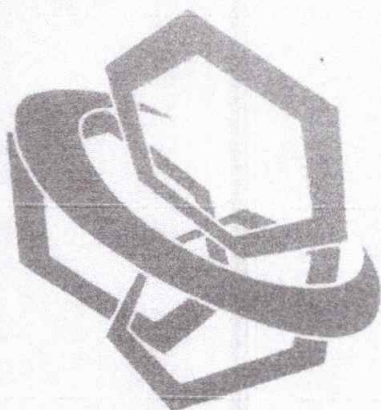

This coming **January 15-17, 2026**, our flagship event, the annual **RESEARCH FAIR**, will once again commence. Research Fair is a three-day research-based assembly for high school students all over the country. Since its establishment in 2002, Research Fair has become a forefront manifestation of the organization's commitment in cultivating scientific curiosity, academic excellence, and innovation among the youth.

In its 25th year, with the theme **ATHANOR: Igniting the Youth to Blossom in their Potential**, Research Fair 2026 will be held in a **face-to-face** format, offering high school students opportunities to engage in scientific exploration and innovation through its cornerstone sub-events: the **Research Competition**, the **National Science Conquest**, and the **Youth Science Convention**.

In line with this, we respectfully request your support in this scientific endeavor in the form of an **official endorsement**. Should you grant our request, we would also like to ask for a **copy of your official logo** to be featured in our publicity materials. Your support will help us reach a broader audience, commemorate 25 years of continued dedication to scientific knowledge, and inspire today's youth in pursuing scientific endeavors.

For more information, kindly refer to the attached Research Fair 2026 Primer. Should you have any clarification or inquiries, please do not hesitate to contact **Rique Hero Nacionales** at **+63 915 697 9904** or at **rfsc@upalchemes.org**. Your unwavering support and favorable response would be greatly appreciated. Thank you for your utmost consideration!
