The training-workshop aims to equip DepEd TVL and TLE teachers with the essential pedagogical, technical, and assessment competencies aligned with TESDA's standards for quality and industry-relevant instruction. Specifically, it seeks to:

1. **enrich scholar-participants' competencies** in developing, delivering, and evaluating competency-based training programs anchored on TESDA's Training Regulations and the Philippine TVET Qualification Framework
2. **strengthen teachers' capability** to design and implement learner-centered instruction that promotes skills mastery, employability, and lifelong learning among students
3. **equip scholar-participants for national competency assessment** and qualification under Teachers Methodology Level I, ensuring their readiness to train and assess learners in their respective technical fields
4. **develop a pool of accredited TESDA Competency Assessors** from DepEd who can uphold quality assurance in technical-vocational programs and support school-based assessment centers
5. **foster alignment between DepEd and TESDA initiatives** in skills development and certification, promoting industry relevance, workforce readiness, and collaborative governance in the TVET sector

3. The scholar-participants in this training are the recommended teachers who have met the criteria set forth in the memorandum. Pertinent details are found in the enclosures.
