ADVISORY

November 12, 2025

The Learning Systems Strand, through the Office of the Undersecretary for Learning Systems, issues this Advisory to formally announce the Postponement of the 2025 National Celebration of Tech-Voc, scheduled for November 25, 2025.

This event has been officially rescheduled to **January 2026**, with DepEd Region IV-A as the host region. The specific venue is to be announced in a follow-up memorandum.

The decision was made by the management committee based on the identified critical logistical challenges associated with the November schedule, such as, securing a suitable national venue capable of safely and effectively accommodating the high volume of participants; the original schedule conflicts with mandatory year-end government and academic administrative processes which would severely compromise the attendance and participation of critical officials, judges and industry partners.

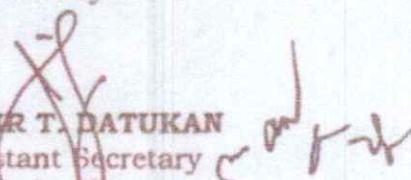

We sincerely apologize for any inconvenience this schedule change may cause and appreciate your understanding and continued support. A Memorandum with the final schedule and confirmed venue for January 2026 will be released shortly.

For immediate concerns, please email bcd.ed@deped.gov.ph.

Please be guided accordingly.

Thank you.
