SUBJECT: Attendance to the Ideation Session for the Crafting of the Smart and Sustainable Communities Program (SSCP) Roadmap of LGU Digos

In line with the Local Government Unit of Digos City's commitment to the implementation of the Smart and Sustainable Communities Program (SSCP), all members of the City Science and Technology Support Council are hereby directed to attend the **Ideation Session for the Crafting of the SSCP Roadmap of LGU Digos** scheduled on **January 14, 2026, 8 o'clock in the morning**, at **Dawis Heritage Wharf**, Digos City.

This will be conducted under the project entitled "**Empowering Communities through Smart Roadmaps and Technologies**," in partnership with the Department of Science and Technology Regional Office XI (DOST XI) - Provincial Science and Technology Office–Davao del Sur (PSTO-DS), as Digos City is one of the identified pilot Local Government Units in Region XI for this initiative.

The activity is specifically intended to facilitate the formulation of the Smart and Sustainable Communities Program (SSCP) Roadmap for LGU Digos, with the following objectives:

- Align the City's development agenda with established Smart City indicators and the United Nations' 17 Sustainable Development Goals (SDGs);
- Identify existing programs, initiatives, gaps, and strategic opportunities for smart and sustainable development;
- Institutionalize collaboration among LGU offices and key stakeholders; and
- Promote the Public-Private-Academe Partnership (PPAP) as a governance model for smarter and more sustainable communities.

The participation of all offices is crucial in ensuring that the SSCP Roadmap of Digos City is comprehensive, strategic, and responsive to the needs of our constituents. Members of the City Science and Technology Support Council are expected to actively contribute to the workshops and discussions. Should the member be unable to attend, an authorized representative, preferably with decision-making capacity and familiarity with the office's plans and programs, may be designated. Further details on the program of activities shall be communicated separately.

For strict compliance.

JOSEF F. CAGAS, RN, JD, MPA

City Mayor

Chairperson - Science and Technology
Institutional Support Council

BY THE AUTHORITY OF THE CITY MAYOR:

REX F. CAGAS
CITY ADMINISTRATOR
