Dear Dr. Estacio,

Warm greetings from the Nestlé Wellness Campus and Greatfil Team, Inc.

We would like to sincerely express our gratitude for your continued support of the Nestlé Wellness Campus Program, which has enabled the initiative to grow stronger and more impactful year after year.

As we prepare for the upcoming school year, we are excited to introduce new music and choreography for Hataw Sayaw Year 4 to further engage and inspire our student participants. To ensure that the choreography remains age-appropriate, dynamic, and suitable for both Elementary and Junior High School learners, we plan to convene a collaborative workshop with selected coaches who previously won in our Hataw Sayaw competitions.

In this regard, we respectfully request from your good Office the permission for the presence of Mr. Angel Bisaga Jr. on March 5–7, 2026. The collaborative meeting will be held in Manila at the Nestlé Center Office, Rockwell, Makati City.

Please be assured that all travel-related expenses to and from Manila will be shouldered by Nestlé Philippines, Inc. through Greatfil Team, Inc.

We sincerely hope for your kind approval of this request. Thank you once again for your steadfast partnership and for your continued commitment to nurturing healthier, more active learners and communities.

Respectfully yours,

PATRICIO T. GOC-ONG
President
