Dear Schools Division Superintendents and DepEd Officials,

We would like to extend our sincere appreciation to the Philippine Department of Education and the various Schools Division Offices for your continued support in promoting international learning opportunities for Filipino students.

As part of our commitment to transparency, collaboration, and program development, the WorldClassroom team will be conducting an **Year-End Program Report Meeting** to share updates and insights from the past school year.

This meeting aims to provide DepEd Schools Division Offices with an overview of the program's implementation and progress across participating schools, as well as to explore opportunities for continued collaboration in the coming school year.

*During the meeting, we will present:*

- Key highlights from the past school year
- The total number of public schools currently participating in WorldClassroom
- Results and outcomes observed from participating schools
- Challenges encountered during implementation
- Opportunities for stronger collaboration with DepEd SDOs moving forward

Additionally, this session will allow SDO and regional offices to learn whether schools within their divisions are currently participating in WorldClassroom and how they're performing, as well as explore potential involvement for the upcoming school year.

We would like to emphasize that **all DepEd offices at the regional and division levels are welcome to attend**, regardless of their current level of involvement with the program.

The meeting is **tentatively planned for the third week of April 2026** and will be conducted online. In order to accommodate the schedules of the different Schools Division Offices, we kindly invite your office to confirm your **interest in participating** and to inform us if there are **preferred dates or scheduling considerations** for your division.

Should your office wish to attend or provide a preferred schedule, kindly respond to this invitation at your convenience or email me at [katrinarodriguez@hello-world.city](mailto:katrinarodriguez@hello-world.city). We will do our best to accommodate everyone's general availability and appreciate your understanding.

Further meeting details, including the confirmed date, time, and meeting link, will be shared once schedules have been finalized.

**We sincerely hope that you or a representative from your office will be able to join us for this session as we reflect on the year's progress and discuss opportunities to further expand meaningful global learning experiences for Filipino students.**

Thank you very much for your continued support and partnership.

Respectfully,

Katrina Rodriguez (she/her)  
Global Coordinator, **HelloWorld Inc.**
