Dear Sir Farnazo,

Greetings from **AHEAD Education Group!**

For over 30 years, AHEAD Education Group has set the gold standard for elite educational preparation in the Philippines. However, we believe that world-class education should be a right, not a privilege. We are writing to invite your institution to join a movement that democratizes success and turns your students' aspirations into admissions.

At AHEAD, we recognize that families often face a difficult choice between quality and affordability. To bridge this gap, we launched **ReviewLab**, our flagship social enterprise initiative.

ReviewLab is a dedicated college entrance test review platform specifically designed to help students pass the admission exams of **State Universities and Colleges (SUCs)**, such as UP and PUP. By adapting the "AHEAD Standard", the same curriculum that has produced topnotchers for decades, ReviewLab ensures that elite-level preparation is now accessible to every student.

Our Special Partnership Offer

To support your most deserving learners, we are pleased to offer your schools the following **scholarship grants**:

- **One (1) Full Scholarship for ReviewLab (UPCAT Track):** For a student preparing for the University of the Philippines College Admission Test.
- **One (1) Full Scholarship for ReviewLab (PUP/Other SUCs Track):** For a student preparing for the PUPCET or other major state university entrance exams.

Collaborative Opportunities

In exchange for these grants, we kindly request the following support from your institution:

1. **Official Endorsement:** Promoting ReviewLab as a preferred review partner to your Grade 11 and 12 students.
2. **Campus Visibility:** Mounting a ReviewLab information tarpaulin in a prominent area on campus. To ensure brand alignment, the AHEAD Team will handle all layout and design.

Benefits to Your Institution

By partnering with ReviewLab, your school can:

- **Boost Qualifying Rates:** Equip students with the tools to secure slots in tuition-free universities.
- **Empower Families:** Provide parents with a cost-effective, world-class tool to support their children's ambitions.
- **Strengthen Institutional Legacy:** Align your school with a program backed by AHEAD's proven track record of excellence.

We would welcome the opportunity to discuss how we can tailor a ReviewLab program for your students, whether through institutional enrollment or a campus "Ambassador Network."

If you are interested in exploring this partnership, **please reply to this email**. We look forward to empowering your students to excel in their college entrance exams.

Sincerely,

Rossana Llenado
