SUBJECT : ROLL OUT OF THE ARTIFICIAL INTELLIGENCE WINDSHIELD SURVEY

DATE : 29 April 2026

As part of the Department of Education's ongoing initiatives for Artificial Intelligence, the Office of the Assistant Secretary for Strategic Management crafted the **Artificial Intelligence Windshield Survey** that will be distributed to the schools and schools division offices to collect the necessary data points that will be used to measure the country's collective readiness for Artificial Intelligence (AI) integration across the basic education landscape.

The data collected is designed to measure three core thematic groups: 1) the current extent of AI usage within our schools and offices; 2) the Perception and Concerns of respondents in using AI (inclusive of issues of fairness, ethics, and impact to learning and learning delivery); and 3) their self-assessed levels of readiness and competencies related to the future of AI tools. The AI Windshield Survey will take a minimum of 5 minutes and a maximum of 10 minutes to answer.

To ensure the relevance and strategic value of the findings, the survey questions have been carefully aligned with international benchmarks, specifically the ASEAN Foundation's AI Ready ASEAN Dataset and the Digital Education Council's Global AI Student Survey 2024. The measurement tools have been approved and undergone several clearances from the Department of Education, such as the Monitoring and Evaluation Office and the Data Privacy Office.

The AI Windshield Survey will only collect response from individuals of selected regions who are:

1. DepEd Non-teaching personnel (Plantilla, Coterminal, Contract of Service, or Job Order) in the Regional Office, Schools Division Office, and School
2. School Heads
3. Teaching Personnel
4. Learners who are currently enrolled in Grades 4-12 (See Annex A: Approved Sampling Structures – Learners)

In analyzing the results of the Survey, the following stakeholders must be reminded to indicate the specific and accurate details in the survey:

STAKEHOLDERS	REQUESTED DETAILS
Learners	Learner Reference Number (LRN) School's Identification Number
Teaching and non-teaching	Employee Number [For Teaching Personnel and School-Based Non-Teaching Personnel] School's Identification Number

Rest assured, the findings of the Roll-out will be used solely to improve the department's effort in aligning its AI initiatives with the needs and concerns of our stakeholders and will neither affect the performance evaluation of our learners, teachers, and non-teaching personnel.

In this regard, participants are requested to complete the survey using their personal email accounts for learners and DepEd email accounts for teaching and non-teaching personnel **on or before July 15, 2026**. For ease of reference the survey links are provided below:
