## **Annex A**

### **Audio-Visual Presentation (AVP) Submission Guidelines**

#### **1. Technical Specifications**

All regional offices are requested to produce and post an AVP on their official social media accounts featuring newly constructed classrooms in their respective regions.

The AVP must comply with the following specifications:

- Orientation: Landscape
- Resolution: Minimum of 1920 × 1080 pixels (Full HD)
- File Format: MP4
- Video Quality: Clear, sharp, and properly focused footage
- Language: Regional or local language may be used, provided that English subtitles are included

To ensure broadcast-quality footage, regional offices are encouraged to use a DSLR or mirrorless camera. If unavailable, a high-quality smartphone camera (preferably an iPhone) may be used. Interviews should be recorded using a tripod or other stabilizing equipment to avoid shaky footage. Whenever possible, use cinematic recording settings available on the device.

For audio recording, use an external microphone whenever available. Interviews should be conducted in a quiet environment to ensure clear and intelligible audio. Footage with excessive background noise, muffled voices, wind interference, or other audio distractions should be avoided.

#### **2. Content Requirements**

The AVP should highlight all newly completed classroom buildings that illustrate how these facilities have improved the learning environment and the educational experience of learners.

At a minimum, the AVP must include the following information:

- Name of the school
- Location (Division, Province, Region)
- Number of classrooms constructed
- Date or year of completion
- Footage of the newly completed classrooms and facilities
- Learners and teachers utilizing the classrooms
- Before-and-after situation (if available)
- Testimonials from stakeholders

The narrative should emphasize the positive impact of the new classrooms on teaching, learning, safety, and access to quality education.

#### **3. Testimonial Requirements**

Regional offices are instructed to conduct short interviews with the following stakeholders:

- Learners
- Teachers
- School Heads
- Parents/Guardians

Interview responses may be delivered in the local language. However, subtitles must be provided.

Suggested Interview Questions:

For Learners

1. *Ano ang kalagayan ng inyong pag-aaral bago magkaroon ng bagong classroom?*
2. *Ano ang pinakamalaking pagbabago na napansin mo ngayon?*
3. *Paano nakatutulong ang bagong classroom sa iyong pagkatuto at mga pangarap?*

For Teachers

1. *Ano ang mga hamon sa pagtuturo bago maitayo ang mga bagong classroom?*
2. *Paano nakatulong ang mga bagong pasilidad sa pagtuturo at pagkatuto?*
3. *Ano ang epekto nito sa mga mag-aaral at sa buong paaralan?*

For School Heads

1. *Ano ang kahalagahan ng mga bagong classroom sa inyong paaralan?*
2. *Paano nito natutugunan ang mga pangangailangan ng inyong mga mag-aaral at guro?*
3. *Ano ang inaasahan ninyong pangmatagalang epekto nito sa paaralan?*

For Parents/Guardians

1. *Bilang magulang, ano ang inyong pakiramdam nang makita ang mga bagong classroom?*
2. *Paano nito naapektuhan ang pag-aaral at kaligtasan ng inyong anak?*
3. *Ano ang inyong mensahe sa mga sumusuporta sa pagpapagawa ng mga bagong silid-aralan?*

#### **4. Interview Composition**

Please frame interviewees similarly to the sample composition provided below. Ensure that there is sufficient headroom and negative space around the interviewee, particularly on the side where they are facing. Avoid overly tight shots or center-cropped framing. This will provide the Central Office editors with greater flexibility for adding titles, subtitles, graphics, and other visual elements during the production of the consolidated AVP.

## 5. Consent Requirements

For interviews involving learners, a signed Parent/Guardian Consent Form must be secured before filming. A copy of the consent form is attached for reference and use.

## 6. Submission of Raw Footage

To facilitate the production of a consolidated national AVP by the Central Office, regional offices are requested to submit raw and unedited video files only.

Please observe the following:

- Submit all interview footage and supporting B-roll footage in their original quality.
- Do not apply graphics, text overlays, transitions, filters, music, or editing.
- Organize all files in a folder labeled with the Region Name.
- Properly label files according to school and interviewee (e.g., Region V - ABC Elementary School - Name of the Interview).
- Ensure that footage is complete and accompanied by relevant shot lists or descriptions, when available.

## 7. Submission

All raw footage and testimonials must be submitted on or before June 3, 2026.

To facilitate file transfer, regional offices are requested to upload all raw consolidated footage to a dedicated **Google Drive folder** and submit the corresponding access link to the Central Office through **pas.od@deped.gov.ph**. Please ensure that sharing permissions are set appropriately to allow access and downloading of files by the assigned Central Office personnel.
