A. Target Beneficiaries

The SBFP shall cover all public elementary and secondary schools. For each school year, the SDO shall prepare a list of participating schools and shall be submitted to RO and CO for record consolidation. Schools and SDOs shall ensure the optimal utilization of allocated funds and the maximum coverage of eligible beneficiaries. The SBFP has the following beneficiaries:

1. Primary Beneficiaries

- a) Learners from Kindergarten to Grade 6 who are classified as wasted, severely wasted, severely stunted, and stunted. For Fiscal Year (FY) 2026, as mandated by RA No. 12314 or the *“General Appropriations Act of 2026”*.

The SBFP shall cover all incoming Kindergarten and Grade 1 learners under a universal feeding directive, in addition to all learners from Grades 2 to 6 who are classified as severely wasted, wasted, severely stunted, or stunted.

- b) Learners at risk of dropping out (LARDOs); Indigenous People (IP) learners; learners from indigent families, pregnant adolescent learners, enrolled adolescent mothers with 0-1-year-old child/ren, and undernourished learners belonging to vulnerable and marginalized groups beyond Grade 6.

2. Secondary Beneficiaries

The following learners may be accommodated in the SBFP: other enrollees in IP Schools and Last Mile Schools (LMS) with a population of 100 learners and below; learners in Special Needs Education (SNED), Alternative Learning System (ALS) Learners, and members of school sports clubs, subject to availability of funds.

3. Beneficiaries in the succeeding years

The SBFP shall institutionalize a progressive approach toward the goal of universal school feeding through the gradual expansion of learner coverage. For the succeeding school years, SBFP Program Parameters which details the target beneficiaries and corresponding cost per meal, Breakdown of Funds, and Implementation Timeline, shall be issued yearly through a DepEd policy issuance.

B. Duration of Feeding Days

The SBFP shall be implemented for a minimum of 120 feeding days to achieve a significant impact on the nutritional status of learners. Subject to the availability of funds, the feeding period may be extended to a maximum of 220 feeding days, including academic breaks or summer remediation programs. Such extensions may be supported through partnerships with LGUs, NGOs, FBOs, CSOs, and other stakeholders.
