Dear All,

We would like to provide an update regarding the upcoming School-Based Monitoring and Evaluation (SBM&E) of the GRBE Policy.

Pursuant to instructions received, we would like to inform all concerned regions and field offices that the schedule of the SBM&E activities **will be moved to a later date**. This adjustment will allow the Central Office to finalize the necessary administrative, logistical, and operational preparations to ensure the smooth conduct of the activity.

We understand the concerns and anticipation of our colleagues, particularly those initially scheduled for the first batch of visits. We sincerely appreciate your patience and understanding as we complete the remaining preparations.

Please be advised that an official advisory containing the final schedule of the SBM&E visits, as well as the details of the orientation, shall be issued accordingly once all arrangements have been finalized.

In the meantime, should you have any concerns or require clarification, please feel free to reach out to us through our existing communication channels.

Thank you for your continued cooperation, patience, and support. We look forward to working with all of you in the successful implementation of this initiative.

Maraming salamat!
