**Marjun B. Rebosquillo, Med-EM**  
Senior Education Program Specialist  
DepEd Digos City Division

**Dear Sir Rebosquillo:**

The College of Education, Arts, and Sciences will organize its 5<sup>th</sup> CEDAS Research Forum on May 10, 2023 highlighted by the theme “Et al. : Leveraging the Cultivation of Research Culture Through Academic Disciplines.” This activity aims to provide avenue for the student-researchers to realize the importance of conducting research to answer and address problems experienced in their field of specialization. The aforementioned event seeks to provide a platform for CEDAS students to share their researches, ideas, insights, findings, and results of their studies to the entire CEDAS in a form of a contest.

This is a whole-day affair which consists of a plenary session at 8:00 o'clock in the morning and parallel sessions at 1:00 o'clock in the afternoon. The plenary will be done at the CJC-Gym and the three parallel sessions will take place at the Norbert Building. During the parallel sessions, students from different programs of our college will present their researches.

In this regard, I am inviting you to witness the presentation of the CEDAS Faculty members during the Plenary Session in the morning and be one of the judges in the parallel sessions in the afternoon. I believe that your expertise in the field of research will be of great help in letting us determine the best research presenters, best papers, best in PowerPoint of our student researchers.

I am looking forward for your positive response. Thank you so much and more power!

Sincerely yours,

  
**MARIA VINICE O. SUMALJAG, LPT, PhD**  
BSED PROGRAM HEAD
