Re: Gokongwei Brothers Foundation's  
**REQUEST TO PROMOTE GBF TeachSTEM SCHOLARSHIPS  
PROGRAMS IN REGION 11 HIGH SCHOOLS**

**Greetings from Gokongwei Brothers Foundation (GBF)!**

GBF is an educational non-profit organization committed to creating programs to promote the advancement of STEM education across the country. These programs include institutional support, capacity building programs for STEM educators, and scholarships to STEM students and educators.

One of GBF's flagship programs is the TeachSTEM Scholarship Program. This aims to develop and strengthen the quality of STEM educators who will be champions of STEM in their community, and we believe it has the potential to make a significant positive impact on our students' and educators' educational experience and personal development.

In the fulfillment of our MOA clause that DepEd will be issuing memoranda for the information dissemination across all DepEd levels and bureaus which was signed by Vice President and Education Secretary Sara Z. Duterte, we are requesting your endorsement for the promotion of the **GBF TeachSTEM Scholarship Program** in Region I Senior High Schools. For your convenience, we have attached collaterals that you can use to share with the faculty and students and on your social media platforms.
