Dear Sir/Ma'am:

Greetings of Peace!

The Center for Career and Professional Progression Organization Inc. is a non-stock and non-profit organization that aims to provide educators platform to elevate their career and professionalism by providing high quality and relevant development programs. As the new School year begins, we have designed a month-long professional development program for teachers equipping them with the MATATAG Curriculum. This is in consonance also with the Philippine Standards for Teachers (PPST) Domain 7: Personal Growth and Professional Development encourages teachers to have a proper and high regard for their job by upholding the dignity of teaching with traits like respect, honesty, and a loving attitude.

Moreover, we believe that to be able to deliver quality teaching, teachers must be skilled and empowered. Thus, the month-long development program for teachers will be offered for **FREE**. The following activities are also crafted adhering to the DepEd order number 09, s. 2005 **NO DISTRUPTION OF CLASSES**. All participants may refer to the attached matrix for the schedule of the events.
