INVITATION TO THE 2024 LEADERS CONFERENCE

Dear Dr. Farnazo:

Tomorrow International Institute, Inc. (TII), a Security and Exchange Commission (SEC) registered institute is an international private institution that provides innovative and quality training, workshops, conferences, and interactive team-building activities that focus more on the intellectual, emotional, and aptitude growth of an individual.

Hence, it is our sincerest desire to share this program with student leaders and youth officials across **Mindanao Island** for the upcoming **2024 Regional Leader's Conference on September 21 and 28, 2024 via Zoom** with the theme **"For the Social Betterment"**. Participants of the event congregate to address an important issue that relates to addressing the challenges and problems in their communities that have the potential to change the world.

This event will focus on addressing youth social problems such as high rates of adolescent pregnancy, HIV/STD cases, poor mental health among persons during the pandemic, unresolved challenges faced by the indigenous community, and other social concerns. The main objective of the event is to develop project plans to tackle these issues. The participating team will be allowed to join the **2024 Leaders Conference in Thailand in November 2024**.

For more information on this new convenient international training workshop, you contact **Jelly Joy Vete** in her contact number **0966-241-8549** or e-mail us.

We Bring Hope to the Future,
